Personal Chef Services

We offer a service unique on Provo: a dedicated personal chef to prepare your meals in the comfort of your own villa, home or condo. Please find below some menu options and be sure to let us know about any allergies or food preferences so we can customize the experience to your family or group.

Prices are dependent on the size of your group and the selections you make, we are happy to put together a quote for you. Being on an island means we have to plan ahead to insure availability, therefore we need to have your menus planned before you arrive on island. For a group of 6 people, as a guideline, we suggest a pre-selected choice of 2-3 canapés, 1 appetizer, 1 main courses and 1 dessert. Some items are seasonal (**Lobster season is Aug 1-April 1**) and may be dependent on your desired location, we are happy to suggest alternatives. Please let us know if you have any special requests (vegetarian, etc.) and we will do our best to accommodate you.
